

CCTV Report for December 2013

We are frequently asked to bear in mind persons or incidents which are not happening in the view of CCTV or near any of our cameras but we still do our best....and sometimes it pays off. Here is a small selection of the 'asks' early this month:

1st. Missing female from an address in Horley which is not near our CCTV. No trace.

1st. Youths throwing eggs in Station Road, Horley. Not near our CCTV but when the youths chose to run off and hide they were just in view in the distance so we were able to guide officers to them.

3rd. Burglars disturbed in process of stealing from house in Meadvale. We used our CCTV to cover possible routes from the area. No trace.

3rd. Incident in the Toby Carvery in Redhill. Not in CCTV area but we used cameras to cover possible exit routes. No trace.

3rd. Missing person in the Tattenham Corner area. Not in our area but we checked anyway. No sightings.

4th. Burglary in a residential road off Cockshott Hill with offenders disturbed. Not in our area but possible exit roads viewed. No trace.

5th. Report of a wanted person seen in a residential road in Horley, heading towards the Town. We waited for his arrival but he was stopped and arrested just before he got within our view.

6th. Missing person from East Surrey Hospital. No cameras at or near the Hospital but we checked Redhill before it was ascertained that the person went to Crawley.

6th. Report of a large fight in a Redhill pub spilling onto the road outside. Not in our CCTV area but we waited in case any of the protagonists in case they headed towards Redhill Town. Unfortunately they all made off in different directions into various housing estates.

7th. Male offender found in a garden in a residential road in Dorking who made off in the general direction of the Town. He was a long way from the Town and never did appear in the Town.

7th. Following a road traffic collision in Reigate where two persons ran off we waited to see if they arrived in our view. Both arrested just before they got to our CCTV area.

7th. Another missing person from the East Surrey Hospital who may be making their way to Redhill. This one was found by Police in Earlswood before they had the opportunity to get as far as the Town.

Finally, the one that got away. A named person was wanted by officers for a dwelling burglary in Redhill. Our operator saw the male, in company with others, in Reigate Town. He went from our camera view in the area of Morrisons and despite waiting for him to re-emerge we lost him....as did the large quantity of Police Officers who flooded the area looking for him.....he was finally caught the next day, with no help from ourselves...so disappointing !!

Note:

"Statistical Info" gives an overview of statistics for last three months plus a cumulative annual total. "Allocation of Time" shows the breakdown of time spent by CCTV staff. Within this tab the item marked 'copy and seize media' indicates the length of time preparing evidence for prosecution cases. The item marked 'crime investigation' indicates the time spent reviewing incidents thereby saving Police resource time. The item marked 'monitor incidents and events' indicates the actual time spent when a 'real time' incident has been reported to the Police or CCTV. Year is defined as April to March.
